Assembly Precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep assembly area clean and well lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or when under the influence of alcohol, drugs or medication.
6. Weight capacity and other product capabilities apply to properly and completely assembled product only.

Use Precautions

1. This product is not a toy. Do not allow children to play with or near this item.
2. Use as intended only.
3. Inspect before every use; do not use if parts are loose or damaged.
4. Do not exceed weight capacity of 300 lb. Be aware of dynamic loading! Sudden load movement may briefly create excess load causing product failure.
5. Maintain product labels and nameplates. These carry important safety information. If unreadable or missing, contact Harbor Freight Tools for a replacement.
6. Store idle equipment. When not in use, this product must be stored in a dry location to inhibit rust.
7. Replacement parts and accessories. When servicing, use only identical replacement parts.
8. WARNING: This product contains di (2-ethylhexyl) phthalate (DEHP), a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. (California Health & Safety Code § 25249.5, *et seq.*)
9. The warnings, cautions, and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

Assembly Instructions

Read the ENTIRE IMPORTANT SAFETY INFORMATION section at the beginning of this document including all text under subheadings therein before set up or use of this product.

Note: When assembling the leg/base section of the Stool, all of the bolts should have their heads facing outside, with all of the nuts on the inside of the frame.

Note: The Stool should be assembled and used on a flat, level, dry surface. Refer to the Assembly Diagram during assembly.

1. Set the Upper Leg (1) over the Lower Leg (2) as shown in the Assembly Diagram below. When nested together properly, the top of the assembly will be flush.
2. Slide the Foot Rest (4) over the leg assembly and connect the three pieces with four Long Bolts (6).

Note: The Long Bolts (6) should travel from the outside of the Foot Rest (4) to the inside of the Upper/Lower Legs (1, 2).

3. Secure the Bolts with four Washers (11) and Acorn Nuts (7) on the inside of the Stool.
4. Insert the four Medium Bolts (8) through the Swivel (9) plate, and into the leg section. Tighten all Bolts.
5. Place the Seat (5) cushion-side down on a flat surface that will not scratch the cushion. Place the Swivel (9) assembly on the bottom of the Seat, so the holes on the Swivel line up with the holes on the underside of the seat.
6. Use Short Bolts (10) to attach Swivel to Seat.

Limited 90 Day Warranty

Harbor Freight Tools Co. makes every effort to assure that its products meet high quality and durability standards, and warrants to the original purchaser that this product is free from defects in materials and workmanship for the period of 90 days from the date of purchase. This warranty does not apply to damage due directly or indirectly, to misuse, abuse, negligence or accidents, repairs or alterations outside our facilities, criminal activity, improper installation, normal wear and tear, or to lack of maintenance. We shall in no event be liable for death, injuries to persons or property, or for incidental, contingent, special or consequential damages arising from the use of our product. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation of exclusion may not apply to you. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS.

To take advantage of this warranty, the product or part must be returned to us with transportation charges prepaid. Proof of purchase date and an explanation of the complaint must accompany the merchandise. If our inspection verifies the defect, we will either repair or replace the product at our election or we may elect to refund the purchase price if we cannot readily and quickly provide you with a replacement. We will return repaired products at our expense, but if we determine there is no defect, or that the defect resulted from causes not within the scope of our warranty, then you must bear the cost of returning the product.

This warranty gives you specific legal rights and you may also have other rights which vary from state to state.
